CHC30212  
Certificate III in Aged Care

CRICOS Code 088164G

COURSE STRUCTURE

**DURATION**

42 Weeks
- 28 weeks study and 6 weeks work placement plus 8 weeks holiday

**QUALIFICATION**

CHC30212 Certificate III in Aged Care

**CAREER OUTCOME**

This qualification is ideal for individuals looking to gain employment in residential aged care facility. This course will provide knowledge and skills on the delivery of support and care for aged community in the aged care facility under direct guidance and supervision. Individuals will be introduced to all aspects of a carer’s role including personal care, well-being and assistance with daily activities.

**ENTRY REQUIREMENTS**

For entry into the Certificate III in Aged Care, candidates are required to be 18 years of age or older, to have satisfactory completion of primary and secondary education of approximately 12 years of duration, possess an English language proficiency of IELTS 5.5, TOEFL 530 or equivalent and National Police Clearance for vocational placement.
LEARNING OUTCOMES

Learning outcomes include:

• Carry out activities to maintain personal care and/or other activities of living for people in an aged care setting
• Carry out activities related to an individualised plan
• Provide support to an older person in the activities of daily living
• Support the older person to meet emotional and psychological needs
• Provide care support for individuals with dementia
• Work effectively with culturally diverse clients and colleagues
• Assist individuals with self-medication
