CREDIT TRANSFER POLICY AND PROCEDURES

PURPOSE:

KIMT accepts and provides credit to learners for units of competency and/or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- a) AQF certification documentation issued by any other RTO or AQF authorised issuing organisation; or
- b) Authenticated VET transcripts issued by the Registrar.

The purpose of this policy is to facilitate a process for **KIMT** to recognise AQF and VET qualifications and VET statements of attainment issued by any other RTO. The student can apply for the course credit/s at the time of enrolment. **KIMT** will process and give the student a record of the course credit/s. Course credit/s may lead to a shortening of a student's course duration.

SCOPE:

This policy applies to:

- Students enrolled at **KIMT**
- **KIMT** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, staff updates and continuous improvement practices. Students are made aware of this policy through Student Handbook, during the enrolment and orientation processes and also throughout the course.

CREDIT TRANSFER POLICY AND PROCEDURES

PROCEDURES:

1. All students are made aware of their opportunity to applying for course credits using a “Credit Transfer form”. This is also supported by the information provided in the ‘*Student Handbook*’.
2. Students who have completed a Nationally Recognised qualification/unit that have the exact same code as a unit currently enrolled will be eligible for credit transfer for the similar unit(s).
3. The student must provide the original certificate to be sighted by the College staff or certified copies of the original document to verify the Credit Transfer and attach to the Credit Transfer Form.
4. Once the complete application is received by student administration, a copy is made and is placed on the student’s file. **KIMT** shall not keep original certificates at any time.
5. The application is then forwarded to the relevant Course Coordinator for assessment and outcomes determination. Where the student provides USI transcript for Course Credit, **KIMT** Course Coordinator will still exercise caution when using a student’s USI transcript to validate training achievements for purposes of granting credit:
 - a) Exercise the same caution with printed or emailed PDF versions of a USI transcript provided by a student as **KIMT** would with hard-copy certificates issued by RTOs.
 - b) The version accessible online directly by RTOs provides a stronger level of assurance, suitable for credit transfer purposes.
 - c) Always contact the organisation that delivered the training if **KIMT** have any reason to be concerned about the authenticity of the credentials presented.
 - d) Advise the USI Office if **KIMT** become aware of any fraudulent activity in relation to a USI transcript.
 - e) As the availability of the USI transcript is dependent on the AVETMISS reporting cycle, **KIMT** may have to rely on the hard copy of certificates issued by RTOs to validate training undertaken recently.
6. Once the assessment is made, Course coordinator informs the student administration department of the outcome. The outcome is noted on the *Credit Transfer Form*. A copy of this document is then forwarded to the student.
