MONITORING COURSE PROGRESS POLICY AND POLICY AND PROCEDURES

(APPENDIX)

Monitoring Course Progress requires **KIMT** to have a documented intervention strategy.

KIMT INTERVENTION STRATEGY GUIDELINES

Introduction: Intervention Strategies to be put in place may incorporate the following:

- Student will be advised to attend the catch-up classes
- Mentoring programs will be implemented
- Counselling will be arranged for the student

Reduction of load may be advised but the student will be advised to complete the course in the expected duration and he/she cannot exceed duration beyond the specified course duration on CRICOS.

This intervention strategy specifies the procedures for identifying and assisting students at risk of not meeting the required course progress requirements i.e. not attaining competency in 50% of units undertaken in a study period. This intervention strategy must be made available to staff and students.

The intervention strategy guidelines have been produced to assist **KIMT** staff in determining how to assist students at risk of not meeting satisfactory course progress requirements as required by the Monitoring Course Progress Policy and Procedures.

KIMT would develop their intervention strategy for each student on a case by case basis. These guidelines include suggested actions; however, these suggested actions are not exhaustive.

Date: (insert date)
Student Name: (insert details)
Student Number: (insert details)

Dear Student,

As part of your Visa requirements you are required to achieve satisfactory academic progress in the courses enrolled. This progress is defined as achieving Competency in at least 50% of units that a student is assessed in a Study period (Semester).

Your academic progress is less than 50% of assessed units for the current Study period (Semester)

This has resulted as you have been unable to achieve Competency in more than 50% of the units undertaken for the Study period (Semester).

You **must** contact **KIMT in person immediately** and arrange a meeting with the Director of Studies/PEO to discuss how we can improve this situation for the following Study period (Semester) and to develop an intervention strategy.

Please be advised that as soon as your academic progress falls below 50% for two consecutive Study period (Semester)s, **KIMT is obliged to notify the** Department of Education and Training and Department of Home Affairs (DHA) via PRISMS that you have breached your student requirements.

At **KIMT** our aim is to assist your satisfactory progression through your chosen course of study. We are very pleased to discuss any academic problems and reach satisfactory solutions.

Yours sincerely
