CRICOS Code 090764K

COURSE STRUCTURE

DURATION

41 Weeks
- 34 weeks study and 3 weeks work placement plus 4 weeks holiday

QUALIFICATION

CHC33015 Certificate III in Individual Support

CAREER OUTCOME

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

ENTRY REQUIREMENTS

For entry into the Certificate III in Individual Support, candidates are required to be 18 years of age or older, to have satisfactory completion of primary and secondary education of approximately 12 years of duration and possess an English language proficiency of IELTS 5.5, TOEFL 530 or equivalent.

Possible job titles may include:
- Personal care assistant
- Community care worker
- Home care assistant
- Nursing assistant
- Community support worker
- Residential care worker
- Support worker
Work placement of 120 hours is a requirement for completion of this qualification. Before undertaking work placement, students may be required to complete First Aid and Manual Handling. It is a legal requirement for all individuals working in the aged care industry in Queensland to undertake a national police check.

As part of the Certificate III in Individual Support program, students participating in work placement will be required by the aged care organisation to undergo this check prior to organising placement.

Learning outcomes include:
- Provide home and community support services
- Facilitate empowerment of the elderly
- Following safe work practices for direct client care
- Understand healthy body systems
- Support people with dementia
